WORK EXPERIENCE

Yale Math Department, *Undergraduate Course Grader*, New Haven, CT September 2026 – Present

- Evaluate weekly problem sets for ~120 students in Linear Algebra with Applications, providing tailored feedback.
- Coordinate with the instructor on rubric calibration and flag recurring conceptual errors, shaping subsequent lectures.

Gestión de Riesgo S.A.S., *Summer Analyst*, Bogotá, Colombia May – June 2026
Boutique consulting firm focused on FX and commodity hedging

- Built a COP/USD zero-cost collar pricing model, a forward-curve builder, and an object-oriented commodity volatility-range tool in Python, using LSEG data on FX and Brent crude.
- Studied derivatives pricing from Hull (forwards, futures, BSM, Greeks) and built a Hull-based analyst tutor and a human-in-the-loop forward-curve workflow; the work led leadership to fund an AI toolset for the analyst team.

Quantil S.A.S., *Summer Intern*, Bogotá, Colombia June – August 2024
Quantitative consulting firm focused on optimizing business decision-making

- Completed a mentored study of reinforcement learning theory (Sutton & Barto), implementing Q-learning to find optimal strategies for the Gymnasium games Blackjack and Taxi ([GitHub repository](#)).

LEADERSHIP EXPERIENCE & ACTIVITIES

Club Colombia, *Vice-President*, New Haven, CT May 2026 – Present

- Re-founded the club and grew it from inactive to 54 undergraduates, graduates, and faculty within one semester.
- Lead a 7-person board across 5 teams, setting semester agendas and unblocking team leads on stalled deliverables.

Yale College Chess Club, *Board Member and Competitive Player*, New Haven, CT January 2026 – Present

- Peak 1830 FIDE Elo through internationally rated tournaments; 2031 online rating on Lichess.
- Coordinate weekly meetups and semester competitions resulting in a total attendance of 300+ students and faculty.

Yale Daily News, *Guest Columnist*, New Haven, CT October 2025

- Argued in [Sit in Silence](#) that compulsive distractions drown out questions boredom raises, blocking self-knowledge.

High School Varsity Basketball, *Co-Captain*, Bogotá, Colombia August 2022 – June 2025

- Led a 15-player roster to back-to-back regional titles and three national podiums, ending a seven-year drought.

TEDxColegio Nueva Granada, *Speaker*, Bogotá, Colombia March 2025

- Contended in [Making Decisions Beyond the Chess Board](#) that navigating uncertainty is what decides outcomes, since every framework fails under complexity: consequences are unpredictable, intentions self-serving, rules rigid.
